

# How to Add a Qube! button to the 3dsmax toolbar

This is a quick techtip to add a submit to Qube! icon on your toolbar

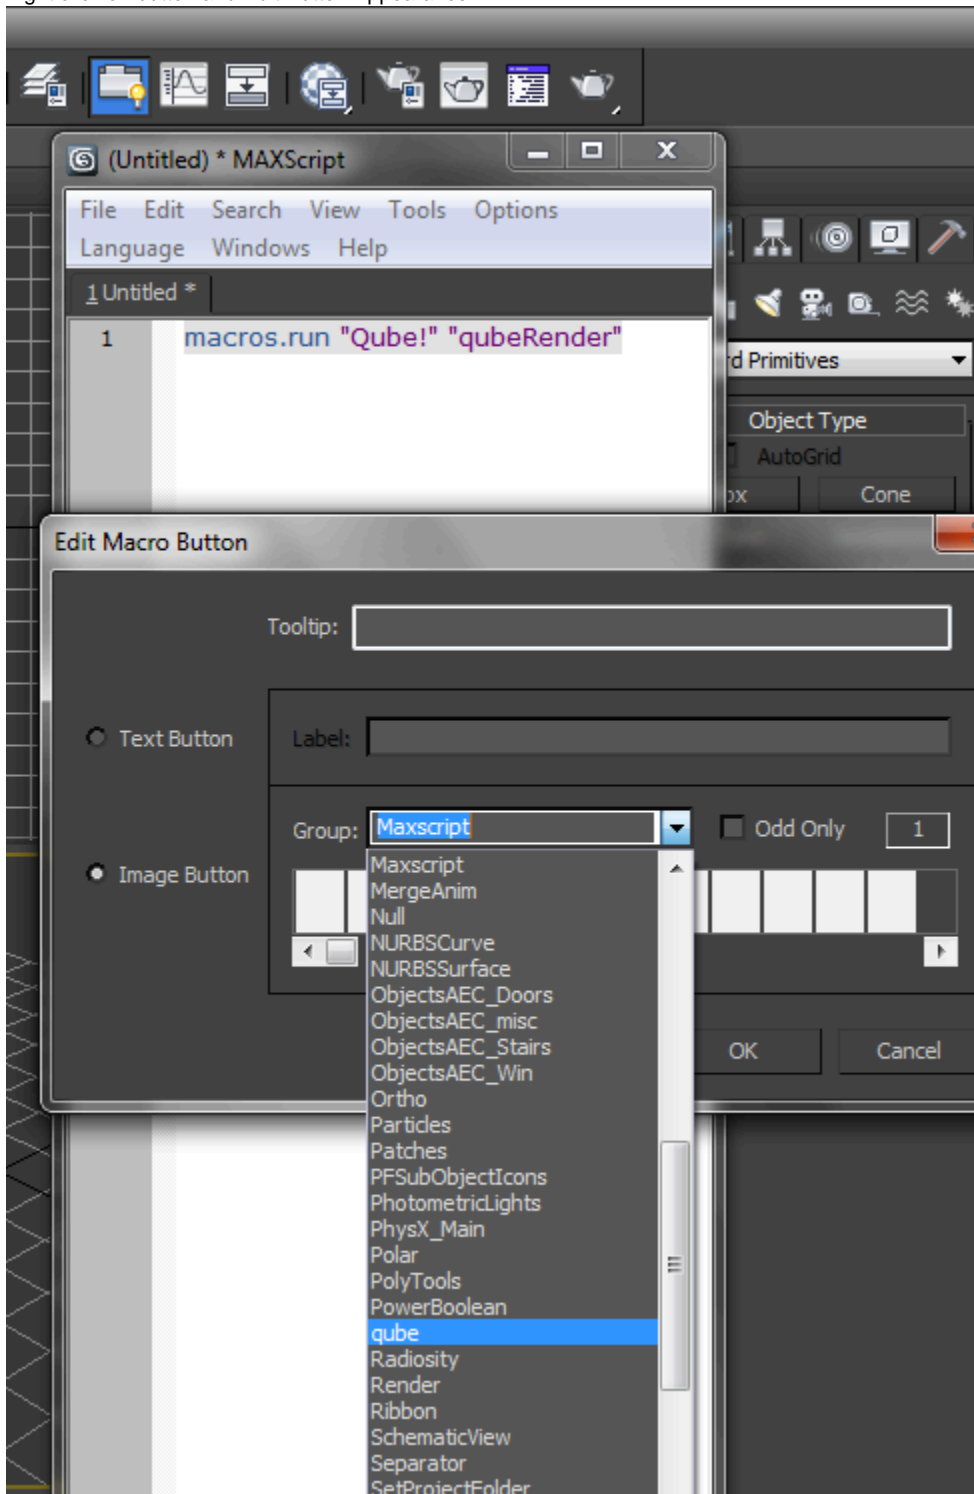

1. Extract the attached zip file to your 3dsmax UI folder : 3dsmax\_icons.zip  
C:\Program Files\Autodesk\3ds Max 2012\UI\Icons
2. Start 3dsmax

3. Click on MAXScript > New Script
4. Enter text :  
`macros.run "Qube!" "qubeRender"`
5. Select text and drag to desired location on toolbar

6. Right click on button and Edit Button Appearance

7. Choose qube from the drop down menu and click OK

You should now have a Qube! submit button in your toolbar
