View and retrieve your keys

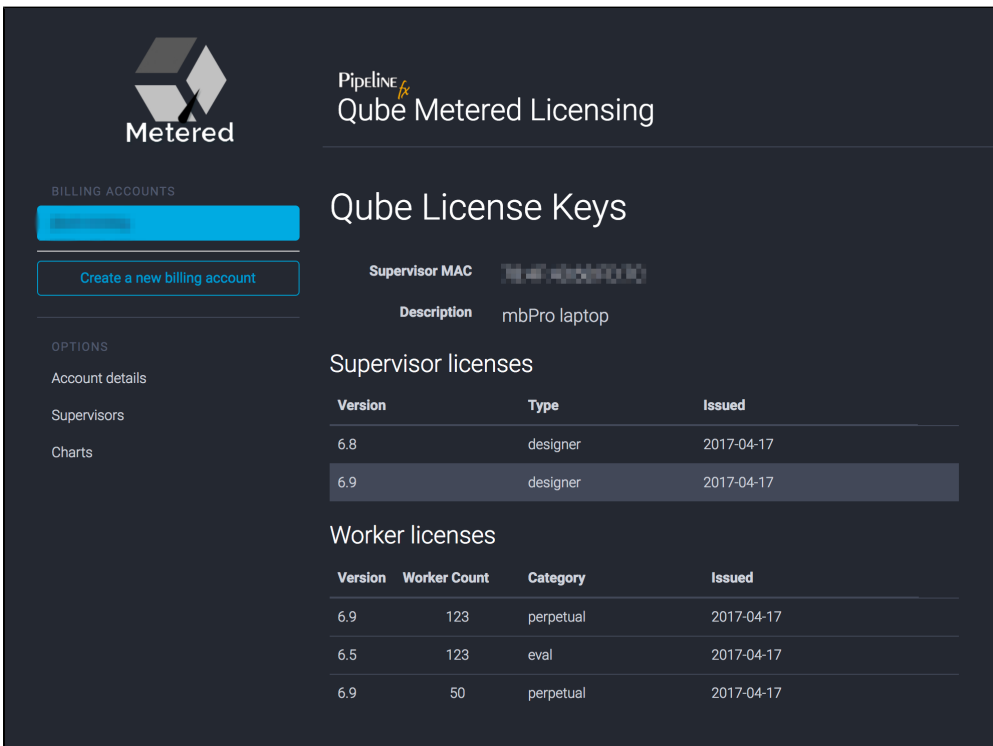

The [Metered Portal](#) also provides the ability to view and retrieve your license keys. Login and select 'Supervisors', you will see "View License Keys" beside each of your registered supervisors.

The screenshot shows the Pipelinefx Qube Metered Licensing dashboard. On the left, there's a sidebar with 'BILLING ACCOUNTS' and 'OPTIONS'. Under 'OPTIONS', 'Supervisors' is highlighted. The main content area is titled 'Qube Supervisors' and contains a table with columns: MAC Address, Status, Description (click to edit), and a 'View License Keys' link for each row. A red box highlights the 'View License Keys' links, and a red arrow points to the 'Supervisors' link in the sidebar.

MAC Address	Status	Description (click to edit)	View License Keys
08:00:27:00:00:00	Retired	mbPro laptop - mid 2012	View License Keys
08:00:27:00:00:00	Disabled	Windows 7 VM	View License Keys
08:00:27:00:00:00	Offline	AWS build supe	View License Keys
08:00:27:00:00:00	Active	mbPro laptop	View License Keys

Mouse over any of the keys to highlight it, then click.

The screenshot shows the Pipelinefx Qube Metered Licensing dashboard with the 'Qube License Keys' section selected. It displays the 'Supervisor MAC' and 'Description' for the selected supervisor. Below, there are two tables: 'Supervisor licenses' and 'Worker licenses'.

Supervisor MAC: 08:00:27:00:00:00
Description: mbPro laptop

Version	Type	Issued
6.8	designer	2017-04-17
6.9	designer	2017-04-17

Version	Worker Count	Category	Issued
6.9	123	perpetual	2017-04-17
6.5	123	eval	2017-04-17
6.9	50	perpetual	2017-04-17

Have your keys emailed to you, or copy them right into your clipboard.

If the Billing Account has a "License Contact" defined, it will be automatically CC:'d on any email'ed keys
