

__SimpleCMD__QubeNotes

The screenshot shows a window titled "Qube Notes". On the left is a sidebar with two items: "Account" and "Notes". The "Account" item is selected, and its corresponding field is a dropdown menu with a blue arrow icon on the right. The "Notes" item is below it, and its corresponding field is a large, empty text area.

Account

Arbitrary accounting or project data (user-specified). This can be used for creating tags for your job.

You can add entries by typing in the drop-down window or select already created accounts from the drop-down.
